	Fixings		0.10				100+	20.0%
						Monthly discount applies to Volume Match ZC/Fly/Spread >1y trades only		
						The Volume Match (VM) discount applies to Swaps not Cash. All discounting is applied to each counterparty's current band and the VM discount will be applied daily and reset at the start of each month. A Spread/Fly trade will be considered as one trade, if it's upsized against the same counterparty it is still considered as one trade. However, if the same trade is against a new counterparty this will be counted as two trades.
